DETAILED ACTION

Reason for Allowance

1. Claims 1-12 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Dasgupta (US 6,146,939) appears to be the closest prior art reference. However, this reference fails to teach that each of the first capacitive elements has a capacitance at least a factor of 10 greater than capacitance of capacitive elements. Prior art of record fails to teach or suggest to incorporate these limitations into Dasgupta to arrive at the claimed device.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
